7 May 2021

Dear Parents

John's Gospel message this weekend of **'love one another as I have loved you'** is extremely appropriate as we look ahead to Mental Health Awareness Week next week. The care that we show one another demonstrated through our actions, is always such a strong feature of our community. It is so important to look out for those in need, particularly those who are suffering on the inside to cope with things that may not be visible to people on the outside. The bonds of trust and power of teamwork, are values that also come through strongly here in school.

The link to the Gospel reading in the Wednesday Word is [here](#). I hope that you find this useful and good to use prior to Mass this weekend.

The Early Years wraparound provision has made a flying start and children across the phase are loving the seamless provision provided by the team, both before and after school. We are on course to reopen KS1 and 2 Wraparound from Monday 17th May, which will allow families to book continuous provision before and after school led by our own experienced staff. The club will operate in the hall and the playground, where we can ensure adequate social distancing and protection of our class bubbles. Parents are now able to book places at Wraparound through ParentPay. Please see the separate email with the wraparound Poster and letter for KS1 & KS2.

Finally, we have noticed that a number of families have acquired puppies over the past few weeks. Whilst we appreciate that it is often difficult to leave dogs of this age unattended, we must request that dogs do not come onto the school site. This is due to the health and safety of all children and staff. We do hope that you will understand.

Enjoy your weekend.
