

30 April 2021

Dear Parents

As we approach the end of another month we should reflect on all that we have achieved, We have begun to slowly unwind from COVID restrictions with bubble clubs starting this week and the introduction of a new Early Years Wraparound, providing for Nursery and Reception classes. Safety remains at the heart of our plans and despite the lifting of certain restrictions in our lives, we must remain vigilant particularly in busy areas inside and outdoors. We therefore must continue to request that parents wear face masks when collecting or dropping off children.

You may well have noticed the magnificent blossom that adorns so many of the trees locally. Children from Year 1 have been focusing on the life of trees as part of their curriculum project and you may wish to click ['here'](#) to see some of their magnificent photographs, taken out and about near their homes.

John's Gospel this week reflects the independence between the branches and vine. The vine is essential for the growth of the branches just as Christ is essential to nourishing our lives.

The [Wednesday Word](#) is here in this letter, reflecting on the Gospel. Please try and read this with your children and maybe have some fun doing the wordsearch etc. together.

Wishing you all a lovely Bank Holiday weekend

Mr J Dachtler
Headteacher
