Dear Parents

It was so good to see children enjoying a COVID safe theatre production of Treasure Island on Wednesday this week. The excitement in the school hall was really lovely to see after quite a considerable time away from having shows such as these. We do hope that everyone enjoyed it.

Very sadly it was necessary for a number of Year 5 children and staff to self isolate as proximity contacts of a class member, who tested positive for COVID-19. I am pleased to report that children in Year 5 are well and looking forward to coming back to school on Tuesday next week. I hope that the reminders sent home on behalf of the authorities regarding testing and vaccinations have been useful. June 21 has now become July 19 in terms of the planned end of restrictions. Please be extra vigilant, particularly inside, as we know that cases in our specific area remain high.

We have some availability in our Wraparound club; breakfast and after school care, and would like to encourage parents to make full use of the amenities offered. Bookings can be made via your ParentPay account. If you need further information please do not hesitate to contact the school office for assistance.

Mark's Gospel this week is the perfect antidote to the tail end of this pandemic storm. Jesus calms both the weather and the fears of the disciples out in the deep water of Galilee. The peace that Christ can bring us all is something that we can all depend on, no matter what storm we find ourselves in.

Have a wonderful weekend,
