Community
spotlight.

Library Open Every Day After School!

We are excited to let you know that the library will be open every afternoon at hometime for children come and borrow books, read or complete homework.

This is an ideal place for parents and siblings to wait and complete homework whilst brothers or sisters are in clubs.

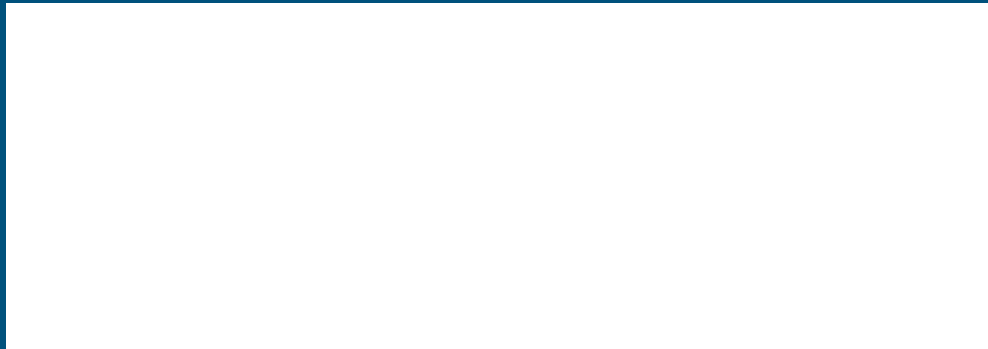

We are looking to develop the use of the library at this time of day and would welcome any feedback from users.

We are also looking to train up more library helpers to look after books and set up activities for families each night. Do let the school office know if you would like to know more!
