10th September 2021

Dear Parents,

The first full week of the new academic year has gone incredibly well. Children seem extremely well settled and inspired by the specific books we have shared to focus on 'Growing our future'. Our shared values of Love, Trust, Teamwork and Ambition are in full flow throughout the school as we look forward to the year ahead.

Following a meeting with the Chairs of Governors this week we can now begin to plan for a safe 'unwinding' of some of the measures in response to Government guidance around COVID 19. This will include the way in which children enter and leave school, arrangements for break times and provision for school trips and extra curricular activities. Details regarding these changes will be shared over the coming weeks. The emphasis will remain on keeping children and staff safe and well. Measures such as good ventilation and hygiene standards will remain firmly in place. We would like to thank all families for continuing to work with us at this time and follow the Government guidance currently in place.

We have included below a link with information about our excellent Wraparound club. The club has a new home and an exciting programme both before and after school each day of the week. Booking is easy and the club represents incredible value compared to other options. The best part is that the club is organised and operated in house by our own, fully trained staff. We have a few spaces still available so do come and see us! {Please see the link below for more information}.

Class 1H celebrated the feast day of their special Saint - St. Mary earlier this week. The Hail Mary prayer starts with a reminder that Mary is 'full of grace'. God's spontaneous and unmerited gift of love that enables us to become children of God. My hope is that we will continue to rely upon God's endless love for each of us over the course of this year. We can, as the first reading from Collosians this Sunday says, be 'clothed in love'.

Have a wonderful weekend.

Yours sincerely

Mr Dachtler
