Dear Parents,

1st October 2022

### Happy Feast Day!

St Teresa's promise to '*shower us with roses*' felt very present today through the actions and deeds of families bringing in cakes ahead of the FOST sale this afternoon. Children from the school took part in the rosary this morning in the church, as the community came together to thank God for our special Saint. The simple act of loving one another is at the heart of our shared message. As St Teresa herself said '*without love, deeds, even the most brilliant count as nothing*'. Thank you for all that you do.

Please use this link for this week's 'Wednesday Word' <http://www.wednesdayword.org/school/index.htm>

It has been truly uplifting to see children on the playground once again at break times and to see parents collecting from the playground after school. I am delighted with the way in which everyone has adjusted to the changes and would like to thank everyone for their patience at this time. We appreciate that a small number of parents have to drop/collect children to/from school by car. Please can we ask you to consider parking slightly further away and walking the last section. We have had a few complaints regarding our parents parking across dropped kerbs or on yellow lines recently. I would be very interested in hearing about suitable areas for parents to park and walk to school, nearby so that I can share these more widely.

We are gearing up for our first event to celebrate Black History Month with a Carnival on Monday. A letter giving more details has already been sent home but is available again [Here](#)

We are looking forward to seeing children dressed in their colourful carnival clothes enjoying the steel band on the school playground! Black History Month is important in highlighting the achievements of black people in all walks of life. More information regarding black history can be found [here](#).

There is so much to celebrate at present. Our school is ringing with life. As another Feast Day comes and goes we must remember to thank God for our school and the community we serve.

Have a great weekend!

Mr Dachtler
