

25th March 2022

Dear Families,

The first official week of spring has been glorious. The sunshine has warmed us inside and out. Mother's day, clocks going forward and the promise of Easter are all things to look forward to in the very near future. We have much to hope for!

Thank you for taking the time to complete our recent travel survey. Overall, we had 135 completed questionnaires. The Travel Team are working through the results and we will share a summary of the findings after Easter.

Children will be dancing for peace at this evening's school disco. The proceeds raised will directly help those affected by the conflict in Ukraine via the Dons Trust local charity. Please keep this and other areas of conflict in your prayers at this time.

This will be the final newsletter before the Easter break and I wanted to bring your attention to the fact that before and after school clubs for the Summer Term will be available on Parent Pay early next week. Please look out for Parent Pay pop up notifications to ensure that you don't miss out.

Today is the Feast of the Annunciation. Mary's decision to embrace the unknown and trust in the Lord is a message to us all. We fast forward in the coming weeks to Christ's betrayal, death and resurrection. Such a lot to take in, but just as Mary did at the very beginning we must embrace all that it is to be God's people and above all champion Love!

Have a blessed weekend.
