25 June 2021

Dear Parents,

It was great to have a full complement of classes this week as the children self isolating returned. Thankfully there were no more reported cases and those affected have recovered very well. Please do continue to be vigilant at present and in particular please remember to wear face coverings when dropping/collecting children.

It has been wonderful to see the number of available after school clubs increasing in year groups with cheerleading restarting. Please check parentPay for club details. Please also consider our before and after school wraparound club. There are a few spaces still available in both morning and afternoon sessions. Children are split in their bubbles during sessions, ensuring their safety. The sessions are run by school staff who know the children very well.

This week's Wednesday Word is attached in this link:

Looking through this with your child before Mass can be very helpful, so that when the Gospel is read, they understand this more clearly, having read the children's version.

The theme of Mark's Gospel this weekend is around Christ's healing. The reading gives a number of real examples where Jesus heals those around him. Watch for the reactions of those who come into contact with Jesus at this time. Jesus also heals their anxiety and worry as he does for us. Our lack of faith at times is not news to God. He knows each of us by name and is here for us.

Have a peaceful weekend.
