Dear Parents/Guardians,

**RE: Harvest Food Collection**

To coincide with the year 1 Harvest assembly and to live our values of faith in action, St Teresa's Faith Team formed of year 5 and 6 pupils who lead our school with faith formation and faith in action, would like you to help them with a food collection to assist local families who are struggling and just generally in our local community.

We will be supporting the DONS [local action group](#) charity this year and the faith team will be responsible for gathering and preparing all donations ready for collection by the charity.

This year, tinned food and produce that isn't fresh would be very much appreciated. See a list of examples below, long expiry dates are best. Anything that you can spare and donate would help families immensely.

**Food examples:**

Tinned Tomatoes, Tinned Fish, Tinned Fruit and Tinned Vegetables, with a long expiry date.

Please donate from the date of this letter until Tuesday 18th October 2022.

Thank you so very much for your love and continued support.

Yours sincerely,

The Faith Team and Mrs Eaden (Faith Team leader)

"Love proves itself by deeds so how am I to show my love?" St Thérèse of Lisieux
