

Safer Streets

Tell us what you think

Please support the school by completing the short survey and have your say to help make the streets around our school safer for everyone.

The school wants to support road safety and your views will help us understand the issues we need to address and ideas to take forward.

The survey takes 2 minutes to complete and is completely anonymous.

To access the survey, simply [click here](#) or scan the QR code below using your camera phone.

Your views matter.

Many thanks
