SCHOOL CLASS PHOTOS

Dear Parents

We have the school photographer from Stanley Baker Studios, coming in to take class photos next week on Wednesday 27th April.

They have asked us to send you the following information today so you can pre-register for your child's class and team group photographs when they are ready to view:

Use Code - **JRGU8MN**

and the web address is www.photoordering.co.uk

Each child will take home a QR code for you to use when they have their class photos taken on Wednesday.

Kind regards
