6 June 2022

Dear Parents,

Our Science topic this half term is 'Animals including Humans' where children will be learning all about how humans and other animals are born, grow and change. To support their learning our school trip this term will be a visit to Deen City Farm which will consist of a guided tour of the farm where the children will have the opportunity to feed some animals if they choose to.

The trip will take place on Tuesday 21st June and the cost will be £3.50 per child. Please pay for the trip using Parent Pay and ensure you tick the consent box, when you go into ParentPay, giving your child permission to attend.

We will be leaving the school at 9:15 am and will be back to school for normal pick-up time.

Please ensure children have suitable footwear and a waterproof coat, named. Children will also need a packed lunch in a disposable bag, and a small plastic bottle of water.

If you need any further information, please don't hesitate to contact the class teachers on their email addresses.

Yours sincerely,

Miss Martin and Mrs Eaden
