

4th July 2022

Dear Parent/Carer,

On **Monday 11th July**, as part of our topic learning all about the Victorian era, Year 5 will be having our very own 'Victorian Day'.

To make the day more special, **we would like the children to dress up in traditional Victorian clothing**. If you are at all unsure about what your child needs to wear, please do not hesitate to ask for suggestions; a simple Google search will provide plenty of ideas but flat caps, waistcoats, knee length shorts, long socks, white shirts, long skirts, and bonnets are the usual items worn on these days. The staff will be dressing up too.

There is a contribution of **£7.50** towards the cost of the day (pupil premium children are not required to pay). Please sign in to your ParentPay account to make the payment.

Yours sincerely,

The Year 5 Team
